

The Office has correctly pointed out that Applicants inadvertently failed to correctly show the changes made to claim 6 of the above-identified case in the Amendment filed on 21 August 2002.

To correct this inadvertent error, Applicants are submitting herewith a corrected attachment for the Amendment filed on 21 August 2002 entitled "**SUBSTITUTE VERSION SHOWING CHANGES MADE TO THE CLAIMS IN AMENDMENT FILED 21 AUGUST 2002**". This substitute attachment corrects Applicant's inadvertent failure in the previous attachment to the Amendment filed on 21 August 2002 to indicate the deletion of the words "The liquid crystal display device as defined in claim 1," from originally filed claim 6 prior to the addition of the underlined initial section added to original claim 6 shown in the previously filed attachment to the Amendment filed on 21 August 2002. Specifically, the attached document provides the marked-up version of Claim 6 required by the Rules to show its change from being a claim dependent upon claim 1 to an independent claim.

It is respectfully submitted that the attached "**SUBSTITUTE VERSION SHOWING CHANGES MADE TO THE CLAIMS IN AMENDMENT FILED 21 AUGUST 2002**" fully complies with the requirements of the outstanding Notice of Non-Compliant Amendment dated 19 September 2002 in the above-captioned case. Accordingly, entry of the attached document in substitution for the attachment originally supplied with the Amendment filed on 21 August 2002 in the above-identified case is respectfully requested in response to this communication.

Applicants believe that additional fees are not required in connection with the consideration of this communication. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge and/or credit Deposit Account No. **04-1105**, as necessary, for the correct payment of all fees which may be due in connection with the filing and consideration of this communication.

Respectfully submitted,
